Annual Message from Don Whitt, Evangelist
“LAUNCH OUT INTO THE DEEP”

From Your Directors Heart:

As I write this article, I'm preparing to begin Northwest Tennessee Awake. August 17th through September 15th, the Obion County Ministerial Association as well as several of our Beulah churches in Obion County are committed to praying for every home in Obion County. We will be praying for God to stir the hearts of Obion County residents to experience a fresh encounter with Him. I personally am praying for the beginning of a spiritual awakening to sweep our county.

Are you aware that 84% of the people of Obion County never attend any church on Sundays, and 58% of our county have never made a profession of faith? These percentages mirror what's happening across America. I wonder how long will God tolerate such behavior before He removes His blessing.

Let's not forget God's warning to Israel in II Chronicles 7:13, "When I shut up heaven and there is no rain, or command the locusts to devour the land, or send pestilence among my people". Only a fool would ignore God's judgement, yet, the vast number of Americans have not recognized the signs that judgement has already begun. The drug and opioid epidemic, the legalization of same sex unions, the killing of unborn babies, the acceptance of Muslim influence and the decay of morality have already brought its own judgement.

Unless the people of God begin to apply II Chronicles 7:14 the America I grew up in will be long gone by the time my grandchildren have children. II chronicles 7:14 says, "If my people who are called by my name will humble themselves and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin, and heal their land." Northwest Tennessee, Obion County, every church, as well as every person needs to experience a fresh encounter with God.

Will you join me in praying, "Even so, come, Lord Jesus". "Come with a fresh conviction of our sin, come with a call to holiness, come with a powerful move of your Holy Spirit, come with cleansing as well as forgiveness, come with such power that no one will be able to deny that it is You and You only who has accomplished these things."

And all the church said, "Amen."

I Love You,
Bro. Jack

Family Ministry

Thoughts

Summer is almost over. School has started back. Our routines are changing. Again. So what has changed about you over the summer? Have you started that new Bible study yet? Have there been changes to the family over the summer. Maybe one of your children started kindergarten or High school this year. The only constant in our lives is that everything is always changing. Except God. He never changes. He is the same yesterday, today and tomorrow.

It is only what we have learned new about Him and His word that is changing. What have you learned over the summer about Him that you hadn't seen before? What have I learned? I'm happy you asked.

My Bible study had me in the book of Acts this month. I know I've read it several times before, but this time it jumped out at me. In chapter 18 we learn about a fellow named Apollos from Alexandria. The report on him says in verse 24 that 'he was an eloquent man, and he was mighty in the scriptures.' Verse 25 goes on to tell us, 'this man had been instructed in the way of the Lord; and being fervent in spirit, he was speaking and teaching accurately the things concerning Jesus.' That's when it hit me, I want to be like him: fervent in spirit and teaching accurately in the things concerning Jesus. What would your church, or mine, be like if we all caught his attitude? Just a thought...

Counseling ministry report

We continue to see anywhere from 14 to 18 clients per week. Many new faces are coming in to take advantage of the ministry Beulah is providing for individuals and couples. I want to take this opportunity to say thank-you to the churches of our Association for affording me the opportunity to minister and help as many as I can. Hopefully and prayerfully we have made a difference in some of their families and offered a better path for the family to grow. Please continue to pray for the ministry and the families that come through our doors.

Respectfully,
Herman

Mission Strategist

Hello churches of Beulah,

Once again, it's hard to believe how quickly time goes by. Summer has passed, children are back in school. If you are one of the churches that support the weekend backpack program by packing and delivering food for the children, I praise our Heavenly Father and our Lord Christ Jesus for you. If you are not directly involved with the program there are plenty of ways to help. Number one is money. Yes, I know it seems we always need money but it takes money to buy food. You can give to the Obion County Backpack Program which is a nonprofit that raises money to help us purchase food as needed, or to Beulah Baptist Association. Lake county schools need support from their local churches to help out with their backpack program. Call Jennifer Roberson at 731-253-3821 to see how you can help them.

I went to Honduras with Crosswind in July for a vision trip for Beulah. That was a great experience and after talking it over with Bro. Jack we believe it would be good for us to have a five year partnership with the Mountain Development Ministries Honduras better known as MDM Honduras. You can visit their website at mdmhonduras.org. Bro. Wes Jones will be speaking at our annual meeting on the work going on there at MDM. I hope you will plan to attend on October 19, 2019 at Crosswind in Union City 9am to 12:15pm.

It would be very helpful for me to know if any of our churches are interested in revitalizing the Adult/Youth Venture once again. I've talked it over with Jack about possibly going back to Hernando, MS to work in the Hispanic trailer park. I must know very soon so I can try to get the camp ground again. What I would like to do is a camp/mission type trip for the youth and Jack lead the adult venture the week before as it used to be. Let me know what you think by emailing me at darrell@bbaol.org or text me at 731-592-9711.

With all the flooding that has been happening recently, I was wondering how many of our church members would like to get certified or be recertified in disaster relief. Again you can contact me at one ways above.

Remember to mark your calendar for our annual meeting.

***ACP REPORTS ARE DUE BY OCT. 2nd. If your church hasn't received a packet please contact the office. 731.885.2151. Thanks for all your help with this matter! Sheila**
