Bro. Marshall's Message

Generations

Deuteronomy 6:5-9

5 You shall love the Lord your God with all your heart and with all your soul and with all your might. 6 And these words that I command you today shall be on your heart. 7 You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. 8 You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. 9 You shall write them on the doorposts of your house and on your gates.

As believers, whether we are parents or not, we should always be looking for ways to pour into children. Look at these verses. We are to teach God's word to children, all the time. As a nation, we have ignored this for far too long and now find ourselves with the first generation of children where 58% of their parents never went to church when they were children. Therefore, we are two generations removed from the church and thus most likely any knowledge of Jesus Christ! We must be seeking to correct this, but how? Get involved in a child's life. Summer has begun and the children around us are out of school and have more time on their hands. Vacation Bible Schools are ramping up, kids camps are around the corner, and many other church activities are available. Invite children. Another way to get involved is by inviting parents and their children to our homes for cookouts, fishing, or just to hangout on a beautiful summer evening. We also have some summer mission trips coming up that would be perfect for families: June 4-9 New River McCreary Association trip (many different opportunities), June 24-26 New Life Fellowship trip to Nashville (community outreach), and July 27-31 Ever Love Baptist Church trip to Atlanta (working with refugees and doing some community outreach). Whatever we do, we must train up the next generation.

Till all hear!

Second Baptist Bag Ladies are in need of a few churches to commit to flattening bags for them. This is a huge help to them in making the mats for the homeless. These mats will be taken to Memphis in July in working with the Send Relief Ministry.
