## BRO. MARSHALL'S MESSAGE

### Evangelism

Romans 10:17 *So faith comes from hearing and hearing through the word of Christ.*

(Names changed for security reasons)

Girmay, a young high school student, heard the gospel from our family over and over again. We told him of how the prodigal son returned to the father and how he could return to the Father as well, but he never seemed interested and after a couple of years, we gave up on him. One day, after several months of not hearing from him, he called me to come to his home. He was so excited and said, "I must learn how to pray. Can you teach me? I now believe all the things you and your family have shared with me. I love Jesus!"

Bilal, an older Muslim man, during Ramadan, heard how Isa (Jesus) was the perfect sacrifice for sin, only prophet that knows the way to paradise and therefore the only way to Allah (God). He was so excited; he could not contain himself and could not wait to get home and tell his family how he now knew the savior of mankind!

After many weeks of meeting Johnny for lunch, a young Jehovah's Witness, we finally entered into a discussion about those who are "chosen" and those who are not. However, he could not tell me how the "chosen" knew that they were chosen, but he was sure that he was not! I asked, "Doesn't that make you mad?" He had never thought about that before but was angry. I told him that our Lord and Savior only wanted him to believe! Just believe that he died for his sins and then he too could be "chosen". He just could not do it! He did not want to disappoint his parents.

Stephen was an older man that I met with over several months and when asked about repentance, he told me that he had no need to repent of anything. He said, "I am a good person. I have never done anything that requires repentance!" I told him that he actually needed to repent for even saying that, but he never understood.

Obviously, all of these evangelistic conversations had much more to them than what I was able to write here, but I wanted you to see a few things from these stories.

Evangelism is a must!

It looks different almost every time you do it.

There will be many different responses.

We do the sharing, but God does the work.

Let's make evangelism a priority in our lives in 2024!

Till all hear!

Bro Marshall

Reelfoot Baptist Church is a Christ-centered, Scripturally-founded, Spirit-led community of born again sinners in the heart of Obion County. We are a community of faith that believes church should feel like family! We are a family of faith that loves God, loves each other and desires to make His Love known. We have a rich history but are future focused. We are working for Christ in this world but longing for an eternity with Him in our Heavenly home. We want to be the church that meets the needs of God's people and the community where they are; but encourages, equips and empowers them to move deeper in their relationship with God. If you are looking for a place that will accept you just as you are, come visit us. If you are looking for a place that wants to love God and one another, come visit us. If you are looking for a place to deepen your relationship with God, come visit us. If you are looking for a place where you can be an active part of the church's mission and ministry, come visit us.
